## ● ABOUT ME

---

Information Security, Cybersecurity, GRC, and Technology Leader with a proven 17 years track record in architecting, implementing, and optimizing robust cybersecurity frameworks. Demonstrated expertise in mitigating cyber risks, enhancing operational efficiency, and ensuring regulatory compliance through rigorous GRC practices. Achieved over \$700 million in cost savings for the Nigerian Government by streamlining IT processes, optimizing resource allocation, and executing strategic IT initiatives. Proven ability to align IT strategies with business objectives to drive innovation and growth. Passionate about leveraging AI, cloud security, and advanced threat intelligence to protect critical assets and build resilient organizations. My experience cuts across BPO, IT, Telecommunication, Financial & Fintech, Oil & Gas Servicing, Health Care, Media, Educational, Public and Private sector.

## ● WORK EXPERIENCE

---

01/10/2023 – CURRENT Abuja, Nigeria
